

CAMELBACK
BIBLE CHURCH

Sunday, June 23, 2019
9:00 am & 10:45 am

Welcome

Let us come and worship the Lord together

WELCOME

We are so glad you joined us this morning for worship. We would love to get to know you better, so please stop by the Welcome Center, grab a cup of coffee, and feel free to introduce yourself. As a token of our gratitude for visiting, we have a gift bag for you. Please pick one up from one of the ushers at the end of the service.

We also invite you to fill out a Visitor Card, which you will find in the pew slot directly in front of you. Please place it in the offering bag or hand it to an usher on your way out. This gives us the opportunity to learn more about you and how we can serve you and your family.

At Camelback we worship in both Contemporary and Classical styles. Our worship services aim towards one purpose: giving glory and honor to our Lord. We hope your spirit is refreshed as you worship at Camelback this morning.

FOUNDATION

❖ **Psalm Reading**

Rev. Ron Elwardt

**O Lord, let me not be put to shame,
For I call upon you;
Let the wicked be put to shame;
Let them go silently to Sheol.
Let the lying lips be mute,
Which speak insolently against the righteous
In pride and contempt.**

**Oh, how abundant is your goodness,
Which you have stored up for those who fear you
And worked for those who take refuge in you,
In the sight of the children of mankind!
In the cover of your presence you hide them
From the plots of men;
You store them in your shelter
From the strife of tongues.**

Psalm 31:17-20

FOCUS ON THE FIELD

Craig and Ruth Goodman

USA

For 36 years, Craig Goodman has served with Mission Aviation Fellowship. Over that time the ministry has expanded beyond providing aircraft for transport and now also includes a technology division that makes ministry possible.

Mission Aviation Fellowship operates a fleet of 46 light aircraft from 17 bases in eight countries in Africa, Asia, Eurasia, and Latin America. Their pilots save valuable travel time and cover seemingly impossible distances in minutes or hours compared to days by foot, road, or river.

Each year, they fly over two million nautical miles to speed the work of some 600 Christian and humanitarian organizations. MAF flights support indigenous churches and local evangelists, create access to medical care, provide disaster relief, and make community development projects possible in some of the most remote places on earth.
